Dear Graham

Thank you for coming to see me today to explain The Campaign for Democracy which I found very interesting. The Research Team is looking at the documents and information that you left.

In the meantime, Section 64 of the Government of Wales Act 2006 does allow Welsh Ministers to hold a poll on any of the functions of Welsh Ministers. You may find the enclosed of interest.

Let's stay in touch on this as I found the meeting very interesting.

With warm regards

Yours sincerely

NICHOLAS BOURNE AM
Leader of the Opposition
